Moments Made Special

“To say I was 'blown away' by the evening's experience is a little bit of an understatement!”
Yvonne Cawley, Manchester Salon

The first line of the review from Manchester Salon sums up the first performance of the *La Soirée Concert Series* by 7 piece Latin Jazz Band **Diaspora** on 27th August, 2010. This concert series is a new initiative by **Your Event Musicians** to bring music lovers together by providing them with a fantastically relaxing environment. Candles are placed throughout the venue so that audience can enjoy quality music and complimentary wine in a complementary ambience.

Benny Hui, director of **Your Event Musicians** says, ‘The *La Soirée Concert Series* aims to create a living room atmosphere where audience can feel completely relaxed while enjoying quality music. Staff working at the first concert were ecstatic to see the audience enjoying themselves so much and ‘salsaring’ into the night.
